Re: Civ. No. 05-626-JJF

JTF c/o Clerk.

Honorable Judge, I just wanted to send my thanks to you for I truly believe you saved my life. I also ask the court to suspend my last 5 months, and I've thought about this carefully, as an alternative if that's not acceptable I would like to purpose that you help me go to Iraq for Construction for a minimum of 1 to 2 years, I could surely help our country a great deal and help alot of unfortunate people at the same time. And if I survive I'll be able to stand on my own two feet proudly for finally giving back to our country, it's only right. So please consider my request seriously for I already have and I know full well what I'm suggesting.

Thank you
Ricky Hamby
